### 1. GENERAL

All quotations must be given and all contracts must be concluded by IBP Conex Limited ("the Company") in writing, or in electronic form through the Company's Electronic Data Interchange ("EDI"). These conditions shall apply to all quotations and contracts for the sale or supply of goods ("the Goods") made between the Company and the recipient ("the Purchaser") of the Goods unless expressly varied or excluded in writing signed by one of the Company Directors. Unless expressly agreed in writing by authorised representatives of both parties, these conditions and any quotation given or contracts entered into constitutes the entire agreement, and any terms and conditions contained in the Purchaser's order or otherwise shall not apply. If any of these conditions or any part thereof is rendered void or unenforceable by any legislation to which it is subject, it shall be so void and unenforceable to that extent and not further.

### 2. ACCEPTANCE

- All orders are accepted on the understanding that these conditions apply to the exclusion of all other terms and conditions which the Purchaser may purport to apply under any purchase order, confirmation of order or similar document.
- Orders accepted cannot be cancelled without the Company's written consent and on terms which will indemnify the Company for all loss.
- Unless specifically agreed otherwise by the parties, all EDI orders shall be deemed to be accepted when acknowledged by the Company through the EDI. Orders made through the EDI shall only become binding upon acknowledgement of receipt of order given by the Company and the Company's terms and conditions shall apply.

### 3. DELIVERY

- The Company, whilst making every effort to effect prompt delivery, will not unless otherwise agreed in writing signed by a Director of the Company, be liable for loss or damage occasioned by delay in despatch or delivery howsoever caused and time of delivery shall not be of essence and any dates expressed in the contract or quotation are given subject to this condition. Delivery of the Goods shall take place:-
- Where the Company undertakes delivery of the Goods, when the Goods are unloaded from the Company's vehicle or that of the carrier at the station, port or location specified by the Purchaser, or
  - Where the Purchaser undertakes delivery of the Goods, when the Goods are loaded onto the Purchaser's vehicle, or that of his designated carrier at the Company's premises or other pre-arranged location.

### 4. PRICES

- Unless otherwise stated in the contracts, all prices in quotations and contracts are exclusive of VAT and apply to Goods packed in standard packs. Deliveries to the value of £250 sterling or more will be made carriage paid to any premises of the Purchaser in the United Kingdom, save that the cost of Goods consigned at the Purchaser's request by passenger train, special carrier service or air freight, will be charged extra. Deliveries to premises other than the Purchaser's are subject to a surcharge to cover carriage costs with a minimum charge of £35 sterling. No allowance will be made for carriage costs where Goods are collected by the Purchaser, or his agents, from the Company's premises.
- The Company reserves the right to impose a minimum order charge of £25 sterling on any order placed with a value less than £250 sterling to cover minimum administration and carriage costs to the Purchaser's premises in the UK (excluding delivery to site). Passenger train charges, special carrier services or air freight are charged in addition to the above.
- Where FOB orders are valued at less than £750 sterling, the Company reserves the right to charge extra for packing and delivery charges. Special notice is directed to the fact that in accordance with the Sale of Goods Act 1979, section 32, as amended from time to time, a delivery to the carrier is in such circumstances delivery to the Purchaser.
- All prices C&F and CIF include freight charges up to the destination specified. The Company reserves the right to refuse orders for less than £1,500 sterling C&F value or to charge extra for any additional expenses incurred. No provision is made for despatch by air freight or parcel post, any such charges incurred are payable by the Purchaser.
- All prices are subject to alteration without prior notice and all orders are accepted on the understanding that they will be invoiced at prices ruling at the day of despatch. The Purchaser will pay such prices as so invoiced.
- Any matter apart from the supply of Goods such as special packing tests or inspections, samples or other impositions shall be charged extra to the Purchaser.
- All quotations made in currencies other than sterling are based on current exchange rates and the Company reserves the right to amend these in the event of changes in the rates of exchange.
- All CIF and C&F prices are based on the current freight rates and the Company reserves the right to amend these in the event of changes in freight rates at the time of shipment.
- All packing specifications are estimated and subject to possible alteration in the event of an order.

### 5. PAYMENT

- Should the Purchaser fail punctually to comply with the terms of payment, the Company shall be entitled to interest on any amount outstanding from the due date until the actual date of payment at the rate of 1% above the National Westminster's Bank Base Rate in force from time to time, unless otherwise stated by the Company in writing at the time of ordering.

### 6. RISK AND PROPERTY IN THE GOODS

- Risk of damage to or loss of the Goods shall pass to the Purchaser at the time of delivery by the Company or collection by the Purchaser or, if the Purchaser wrongfully fails to take delivery of the Goods, the time when the Company has tendered delivery of the Goods.
- Notwithstanding delivery and passing of risk in the Goods, or any other provision of these conditions, the property in the Goods shall not pass to the Purchaser until the Company has received in cash or cleared funds payment in full of the price of the Goods and all other goods agreed to be sold by the Company to the Purchaser for which payment is due.
- Until such time as the property in the Goods passes to the Purchaser, the Purchaser shall, at its own cost, hold the Goods as the Company's fiduciary agent and bailee, and shall keep the Goods separate from those of the Purchaser and third parties and properly stored, protected and insured and identified as the Company's property, but the Purchaser shall be entitled to re-sell or use the Goods in the ordinary course of business.
- Until such time as the property in the Goods passes to the Purchaser (and provided the Goods are still in existence and have not been re-sold), the Company shall be entitled at any time to require the Purchaser to deliver up the Goods to the Company and, if the Purchaser fails to do so forthwith, to enter upon any premises of the Purchaser or any third party where the Goods are stored and re-possess the Goods.
- The Purchaser shall not make any modification to the Goods or their packaging or alter, remove or tamper with any marks, numbers or other means of identification on or in relation to the Goods.
- The Purchaser shall account to the Company for the proceeds of sale or otherwise the Goods whether tangible or intangible, including insurance proceeds and shall keep all such proceeds of sale or otherwise on trust for the Company and hold separate from any monies or property of the Purchaser and third parties and in the case of tangible proceeds properly stored, protected and insured provided that the Purchaser will have no authority to enter into any contract of sale or other contract on behalf of the Company and any such contract shall accordingly be concluded in the name of the Purchaser.
- The Purchaser shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company, but if the Purchaser does so all monies owing by the Purchaser to the Company shall (without prejudice to any other right or remedy of the Company) forthwith become due and payable.

  - The Company reasonably apprehends that any of the events mentioned above is about to occur in relation to the Purchaser and notifies the Purchaser accordingly.

### 8. UNDERTAKING AND EXCLUSION OF LIABILITY

- In the event of any defect being disclosed in any Goods or parts thereof supplied by the Company within 365 days from the date of delivery and the Company is notified in writing of such defect, the Company undertakes to consider any claim and examine the Goods or part thereof alleged to be defective and should any fault, due to defective materials supplied by or design or workmanship on the part of the Company, be found on such examination, to repair the faults, or at the Company's option to supply free of charge new goods or parts in place of those acknowledged by the Company to be defective.
- The above undertaking is limited to the repair of the defective Goods or parts without charge or the supply to the Purchaser free at the Purchaser's premises of the new goods or parts in exchange for any acknowledged by the Company to be defective. The decision of the Company on all claims and all questions shall be final and conclusive.
- The undertaking set out in (a) above shall apply to any repaired or replaced goods provided hereunder during the unexpired portion of the undertaking period applicable to the Goods for which the repair or replacement has been performed.

Where the Goods are sold to a person dealing as a consumer (within the meaning of the Unfair Contract Terms Act 1977) the statutory rights of the Purchaser are not affected by these conditions.

- Neither the Company nor its officers employees and agents shall (except in respect of death or personal injury caused by the negligence of the Company its officers employees or agents and any liability which cannot be excluded under part 1 Consumer Protection Act 1987) be liable to the Purchaser by reason of any representation or implied warranty condition or other terms or any duty at common law, or under the express terms of the contract, for any injury and/or loss and/or damage of any kind whatsoever and howsoever arising or arisen whether direct, indirect, consequential or special and howsoever caused (whether occasioned by the negligence of the Company or its officers employees or agents or otherwise and including without limitation any loss arising out of the liability of the Purchaser to any third party by virtue of part 1 Consumer Protection Act 1987) resulting from or arising out of or in connection with the Goods (including without limitation any defect therein and/or any act or omission of the Company in connection therewith, except as expressly provided in these conditions).
- In no event will the Company be liable under any terms of or otherwise in connection with the contract for lost profits or any other incidental or consequential damages.
- The Purchaser shall indemnify the Company in full against any liability whatsoever (but excluding any liability based on the negligence of the Company its officers employees or agents) which it may incur resulting from any claim made against the Company by a third party in respect of any matter for which liability to the Purchaser is excluded by the foregoing provisions of this condition 8.
- Accordingly it shall be for the Purchaser to insure against any liability arising as a result of these conditions (including without limitation the operation of conditions (d) to (g) above).

### 9. CHECKING GOODS

Unless the Purchaser gives written notice to the Company within 14 days from the date of arrival of the goods at the Purchaser's premises or the destination agreed by the parties as the case may be that the Goods are not in conformity with the contract, the Purchaser shall be deemed to have accepted the Goods and shall be bound to make payment thereof on the due date.
