6.1 Risk of damage to or loss of the Goods shall pass to the Purchaser at the time of delivery by the Company or collection by the Purchaser or, if the Purchaser fails to take delivery of the Goods, the time when the Company has tendered delivery of the Goods.

6.2 Notwithstanding delivery and passing of risk in the Goods, or any other provision of these conditions, the property in the Goods shall not pass to the Purchaser until the Company has received payment in full of the price of the Goods (in cash or cleared funds) and all other Goods agreed to be sold by the Company to the Purchaser for which payment is due.

6.3 Until such time as the property in the Goods passes to the Purchaser, the Purchaser shall, at its own cost, hold the Goods as the Company's fiduciary agent and bailee, and shall keep the Goods separate from those of the Purchaser and third parties and properly stored, protected and insured and identified as the Company's property. The Purchaser shall be entitled to re-sell or use the Goods in the ordinary course of business.

6.4 Until such time as the property in the Goods passes to the Purchaser, (and provided the Goods are still in existence and have not been re-sold), the Company shall be entitled at any time to require the Purchaser to deliver up the Goods to the Company and, if the Purchaser fails to do so forthwith, to enter upon any premises of the Purchaser or any third party where the Goods are stored and re-possess the Goods.

6.5 The Purchaser shall not make any modifications to the Goods or their packaging or alter, remove or tamper with any marks, numbers or other means of identification on or in relation to the Goods.

6.6 The Purchaser shall account to the Company for the proceeds of sale or otherwise the Goods whether tangible or intangible, including insurance proceeds and shall keep all such proceeds of sale or otherwise on trust for the Company and hold separate from any monies or property of the Purchaser and third parties and in the case of tangible proceeds properly stored, protected and insured provided that the Purchaser will have no authority to enter into any contract of sale or other contract on behalf of the Company and any such contract shall accordingly be concluded in the name of the Purchaser.

6.7 The Purchaser shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company, but if the Purchaser does so all monies owing by the Purchaser to the Company shall (without prejudice to any other right or remedy of the Company) forthwith become due and payable.

### 7 Insolvency of the Purchaser

7.1 Where any of the following occurs, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Purchaser. If any of the Goods have been delivered to the Purchaser but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary:

- the Purchaser makes any agreement or composition with its creditors or if a bankruptcy petition is presented or if the Purchaser enters into liquidation whether compulsorily or voluntarily; or
  - an encumbrancer takes possession, or a receiver is appointed over the whole or any part of the Purchaser's assets or undertaking; or
  - an administrator has been appointed to manage its affairs, business and property or if the Purchaser takes or suffers any similar action in consequence of debt; or
  - the Purchaser ceases or threatens to cease to carry on business, suspends payments of its debts or is unable to pay its debts; or
  - the Company reasonably apprehends that any of the events mentioned above is about to occur in relation to the Purchaser and notifies the Purchaser accordingly; or
  - the Purchaser is subject to any event analogous to (a) or (e) in any other jurisdiction in which the Purchaser operates;
- where any of the events set out in (a) to (f) shall be defined as an Act of Insolvency

### 8 Undertaking and exclusion of liability

8.1 The Company warrants that on delivery and for a period of 365 days from the date of delivery, the Goods shall be of satisfactory quality within the meaning of the Sale of Goods Act 1979. The Purchaser shall give notice to the Company in writing of any breach of this warranty and shall give the Company reasonable opportunity to examine such Goods. The Company shall not be liable for any breach of this warranty if:

- the Purchaser makes any further use of such Goods after giving such notice; or
- the defect arises because the Purchaser failed to follow the Company's instruction as to the storage, installation, use or maintenance of the Goods; or
- the Purchaser alters or repairs such Goods without the Company's written consent.

8.2 In the event of any Goods (or parts thereof) in place acknowledged by the Company to be defective, the Company shall repair the Goods, or at the Company's option supply free of charge new Goods (or parts thereof) and the Company shall have no further liability in respect of such defective Goods (or parts thereof).

8.3 The warranty given in condition 8.1 shall apply to any repaired or replaced Goods provided hereunder for the duration of the unexpired portion of the 365 day period applicable to the Goods for which the repair or replacement has been performed.

8.4 Subject as expressly provided in these conditions and except where the Goods are sold to a person dealing as a consumer (within the meaning of the Unfair Contract Terms Act 1977) all warranties, conditions or other terms which apart from this condition would be implied by statute or common law are excluded to the fullest extent permitted by law. Where the Goods are sold to a person dealing as a consumer (within the meaning of the Unfair Terms Act 1977) the statutory rights of the Purchaser are not affected by these conditions.

8.5 Neither the Company nor its officers, employees and agents shall (except in respect of death or personal injury caused by the negligence of the Company its officers, employees or agents and any liability which cannot be excluded under part 1 Consumer Protection Act 1987) be liable to the Purchaser by reason of any representation or implied warranty condition or other terms or any duty at common law, or under the express terms of the Contract, for any injury and/or loss, and/or damage of any kind whatsoever and howsoever arising or arisen whether direct, indirect, consequential or special and howsoever caused (whether occasioned by the negligence of the Company or its officers employees or agents or otherwise and including without limitation any loss arising out of the liability of the Purchaser to any third party by virtue of part 1 Consumer Protection Act 1987) resulting from or arising out of or in connection with the Goods (including without limitation any defect therein and/or any act or omission of the Company in connection therewith, except as expressly provided in these conditions).

8.6 In no event will the Company be liable under any terms of or otherwise in connection with the contract for lost profits or any indirect or consequential damages.

8.7 The Purchaser shall indemnify the Company in full against any liability whatsoever (but excluding any liability based on the negligence of the Company its officers, employees or agents) which it may incur resulting from any claim made against the Company by a third party in respect of any matter for which liability to the Purchaser is excluded by the foregoing provisions of this condition 8.

8.8 Accordingly it shall be for the Purchaser to insure against any liability arising as a result of these conditions (including without limitation the operation of conditions (•) to (9) above).

### 9 Checking Goods

Unless the Purchaser gives written notice to the Company within 14 days from the date of arrival of the Goods at the Purchaser's premises or the destination agreed by the parties as the case may be that the Goods are not in conformity with the Contract, the Purchaser shall be deemed to have accepted the Goods and shall be bound to make payment thereof on the due date.

### 10 Special Goods

Any drawings supplied by the Purchaser shall become the property of the Company. Where part cost dies and tools are charged they are kept for the Purchaser's own use, but they remain the property of the Company and the Purchaser has no property in them. The Company reserves the right to consider obsolete, and to destroy, dies and tools from which no Goods have been ordered for a period of three years.

### 11 Inspection

If tests are required to the Purchaser's own specification, such tests are to be carried out at the Company's premises and are to be final there, although if desired arrangements can be made for a representative of the Purchaser to observe such tests and inspection.

### 12 Returns

Goods once despatched may not be returned without the Company's consent in writing. Where such consent is given, credit will only be allowed at the price at which the Goods were originally charged less a minimum of 20% to cover re-stocking, clerical and other expenses. In the event the Company shall only be liable to pay such compensation as it receives from the carrier;
- where the Company has arranged marine insurance on behalf of the Purchaser, in the event of loss or damage, the terms and conditions stated on the insurance certificate must be strictly complied with.

- if any sum owing to the Company from the Purchaser on any account whatsoever shall be unpaid after the due date for payment (in which event the Company shall have a general lien for any sum on all or any property of the Purchaser in its possession);
- if the Purchaser shall refuse to take delivery of or collect any of the Goods in accordance with the terms of the Contract.

### 17 Descriptive matter

Descriptive matter, illustrations, estimates of performance, dimensions and weights contained in documents issued by the Company are to be regarded as being for guidance only and are not binding on the Company in any way. The Company's policy is one of continuous improvement and the right to change designs at any time without notice is reserved. Claims of compliance with any relevant standards whether printed in catalogues or marked on Goods, are to be interpreted as type test compliance required by those relevant standards. Where any such details are important to the Purchaser the Purchaser should request the Company to confirm them expressly before placing an order.

### 18 Force Majeure

In the event of the Company being delayed from performing the contract by any cause beyond its reasonable control (including (but without limitation) shortage of materials, or power, delays in transit, strikes or lockouts or other industrial disputes, whether at the Company's premises or those of its suppliers, or accidents at the Company's premises, whether or not the same was or might have been foreseen when the contract was concluded, performance by the Company shall be suspended during the period of delay, provided always that if such delays shall exceed 6 months, after the Company or the Purchaser may give written notice terminating the contract as to further deliveries or work.

### 19 Waiver and set-off

19.1 No failure or delay on the part of the Company to exercise any of its rights under the contract shall operate as a waiver thereof nor shall any single or partial exercise of any such right preclude any other or further exercise thereof. Any waiver by the Company of any breach by the Purchaser of any of the Purchaser's obligations under the contract shall not affect the rights of the Company in the event of any further or additional breach or breaches.

19.2 Any liability of the Company under the contract shall be subject to and conditional upon the due performance and observance by the Purchaser of all its obligations under these conditions and subject to these conditions the Purchaser shall not be entitled to withhold or delay payment or exercise any right of set-off whatsoever or howsoever arising which might otherwise be available to it.

### 20 English law
